

DESIGN SAVANNAH WITH US.

EMERGING PROFESSIONAL II

Greenline Architecture is an award-winning, 12-person architecture, interior design and historic preservation firm established in historically-charming Savannah, Georgia. We are seeking a full-time Emerging Professional II with 2-5 years of experience to join our team, located in the heart of the Starland District, Savannah's rapidly developing creative and artistic hub. Greenline Architecture's mission is to be the obvious choice to design a signature project for a discerning client. We are committed to sustainability in all aspects of our corporate culture and our designers are experts at their individual crafts. We seek projects that can be period specific or cutting edge. We seek clients who expect an intense level of involvement with their architect. We value our team, our relationships and our focus on top-notch client service. Our firm is currently engaged in a variety of creative design work including residential, commercial, hospitality, retail, historic preservation and mixed-use projects of various scales. Our culture is energetic, collaborative and open. We value people who are fun to work with and who have a positive impact on everyone around them. We support innovation and creativity and encourage all team members to contribute to the design process while fostering personal and professional growth.
